CAREER OBJECTIVE

Performance marketing with a testing-first mindset

UA Marketer with nearly **3 years of experience** in **Performance Marketing** and **User Acquisition** across Gaming, Agriculture, Beauty and Sports. Experienced in international markets including Europe, the United States, India, and Brazil. I focus on the full acquisition loop — audience research, campaign structure, creative testing and funnel optimization — to grow ROAS and lower CPA at scale. Seeking to deepen my expertise in Performance Marketing and User Acquisition.

Industries	Gaming · Agriculture · Beauty · Sports
Location	Binh Thanh, HCMC

Birth year 2002

WORK EXPERIENCE

Nearly 3 years of hands-on User Acquisition

Four roles across four industries — agriculture, beauty clinic, gaming and sports apps — spanning five markets: Vietnam, Europe, the US, India and Brazil.

User Acquisition

Foxscore — Football Live Scores App (Pre-launch)

05/2026 — Present

USD 30,000–50,000 / month

Meta · Google · Apple Search Ads

AppsFlyer · GA4 attribution

- Executed and optimized User Acquisition campaigns across **Meta Ads, Google Ads and Apple Search Ads**, managing monthly advertising budgets ranging from **USD 30,000 to USD 50,000**.
- Collaborated with the Product and Creative teams to map the **customer journey**, identify **winning creatives** and scale high-performing campaigns.
- Built and iterated **campaign structures, audiences, bidding strategies** and creatives to validate acquisition channels ahead of launch.
- Tracked and optimized early-funnel metrics including **CPI, CPA, CTR, CPM, CVR, activation rate, retention** and user quality.
- Worked with Product and Development teams to improve **onboarding and conversion flows** using campaign and in-app behavior insights.
- Used **AppsFlyer, GA4** and attribution data to monitor acquisition performance and inform scaling decisions.

Meta Ads Specialist

One One Media

07/2025 — 05/2026

USD 6,000 / day spend | USD 100,000–150,000 / month | Europe · US · India · Brazil | 20–30 video creatives / week

- Managed **Meta Ads campaigns** for slot-game products across Europe, India, the United States and Brazil.
- Managed daily advertising spend of up to **USD 6,000** while maintaining performance targets across multiple markets.
- Analyzed and optimized **CPA, ROAS, CTR, CPM and conversion rate** through audience, bidding, placement and creative iterations.
- Led **A/B testing** across creative concepts, audiences and campaign structures to identify scalable winning combinations.
- Coordinated production of **20–30 video creatives per week** and localized ad concepts based on market-level performance insights.
- Continuously optimized campaign structure and creative strategy to improve **User Acquisition efficiency** and support scaling.

Meta Ads Specialist

LG Clinic

11/2024 — 06/2025

VND 80M / day budget | VND 4B monthly revenue | Facebook Ads – Messages

- Planned, launched and optimized **Facebook Ads – Messages** campaigns for beauty services: **acne scar treatment, dark spots, laser hair removal, skin whitening** and more.
- Managed advertising budgets of up to **VND 80 million per day**, tracking and reallocating budget based on the performance of each service and campaign.
- Monitored and optimized key metrics: **CPM, CTR, CPC, Cost per Messaging Conversation, lead volume and lead quality**.
- Tracked performance from **message → consultation → booking → revenue**, supporting monthly revenue of around **VND 4 billion**.
- Developed ideas and coordinated **video ad production**, building multiple angles and creatives for each service group.

- Ran **A/B testing** on copy, creative and audiences to reduce cost per message and increase lead volume.
- Implemented **comment seeding** and social proof to help increase the number of inbound messages.
- Monitored daily campaign performance, **scaling high-performing ad sets and cutting those with a high cost per message or low lead quality**.

Meta Ads Specialist

King Azone JSC

04/2024 — 10/2024

VND 20M / day budget | VND 1.2B peak monthly revenue | Meta Business Manager setup

- Planned and executed **Facebook Ads campaigns** for agricultural and biological crop-protection products.
- Managed daily advertising budgets of up to **VND 20 million** and supported peak monthly revenue of **VND 1.2 billion**.
- Optimized **CPM, CPC, CPA and ROAS** through structured A/B testing of audiences, creatives, offers and landing pages.
- Built and managed **Meta Business Manager**, ad accounts, tracking setup and landing pages to support campaign operations.
- Produced and coordinated **video ads, voice-overs and multi-format creative assets** for ongoing testing and scaling.
- Analyzed **funnel performance** to identify conversion bottlenecks and improve campaign efficiency.

SKILLS

Toolbox

The stack I use daily to launch, measure and scale acquisition campaigns.
